Dear Sir/Madam,

I'm a sincere and honest student. Currently I'm pursuing my Bachelors Degree in Computer Engineering (6th - Semester). Also I've completed my Diploma in Computer Engineering with highest rankings in the university. My skills include Programming languages like Android Programming, Java, Xampp, Software Project Management & HTML.

If given a chance I'll definitely try my best to prove my worth.

Sincerely,

Aryan Ranjit Sirdesai
