Profile

I'm a sincere and honest student. Currently I'm pursuing my Bachelors Degree in Computer Engineering (5th - Semester). Also I've completed my Diploma in Computer Engineering with one of the highest rankings in the university.
My domain of interest is Android Studio, Java & PHP.

My skills include Programming languages like C, Java, HTML. Also I'm acquainted with networking concepts, Java Swing & Applets.
This'll be my first ever opportunity to work on.
So if given a chance I'll definitely try my best to prove my worth.
